Tribute Wall

“ *I miss Ernest sometimes, I have so many wonderful memories of good times and great times with my friend they completely drown my memory of the tough times, which Ernest always made lighter and brighter. Ernest was patient, very smart, industrious, quick-witted and quick to defend his friends (whom he often later admonished in his own quiet way). Much loved and respected by everyone who knew him; rest in peace Ernest ... I just know there have 'gotta be turkeys everywhere for you to take aim at now.*
