“ Dear Papa, Your time with me was cut short. There was so many things i wanted to know, so many things i didn't get to say. You and I didn't have the best of pasts but you were there. You cared, you laughed, you played, you were at the level of happiness i want to one day achieve. I remember going camping and you getting me one of the water speakers. i miss you so much. Keep watch over us. Love you. Ride On
