“*Janice was a dear friend of mine since we met at Target 3 years ago. When we started to talk to each other about health problems our communication became even more important. It is with a heavy heart that I write at this point now knowing I just didn't do enough or knew enough to get the right help. The lord has a special place for Janice at his table. She now can rest in peace and leave the struggles behind her. May she rest in peace.*”
