His true love was his family whom he was so devoted to. He had a heart of gold and was always putting the needs of family and friends ahead of himself. He will be remembered as a loving father, grandfather and great grandfather, host to many family gatherings, loyal friend to many and will be remembered by all.

Also close to his heart were his friends at Wachesaw Plantation, from the Tuesday/Thursday men's golf, to bingo night, many dinners and celebrations at the club and the rich history of the plantation. To all of his friends who were his "eyes" he was extremely grateful for your assistance.
