“ *My heart and prayers go out to Jackie and all of her family. I was best friends with Jackie in elementary school and I remember Ms. Pearl very well. I use to stay over at Jackie's sometime and we had so much fun. I was very insecure at that age and felt like I was less than others. I always remember Ms. Pearl building me up and telling me I was as good as anybody else! She made me feel so much better about myself and I loved her. She was so funny and made Jackie and I laugh. I felt a lot of love from her. It's been 50 yrs ago and I will never forget it. She was a good woman. RIP Aundra Watson*
