

William "Bill" Donald Wright Sr

August 25, 1928 - October 6, 2020

William (Bill) Donald Wright, Sr. passed away peacefully in his sleep October 6, 2020 at the age of 92. Born to parents Ausbon Lee and Corrine Hedrick Wright, of Belmont NC. He and his loving wife, Barbara Viola Wright, were married 62 years - a son William Donald Wright (Don)Jr., 3 brothers, Kenneth, Richard and Jimmy Wright, a sister, Betty Anne Wright all pre-deceased. Surviving are his children Sherry Wright Clardy (Mike) and Dave Wright (Allison). 7 grandchildren, 9 great grandchildren. Surviving is his younger brother Johnny Wright (Ricki) also of Rick Hill. Many nieces and nephews that he loved dearly.

He was a Veteran of the Army Air Force. He had a passion for racing, and was a brilliant mechanic. He loved music, and was a self taught musician - which was inspired by his mother and was successfully passed down to several generations in his family, but his artistic talents led him to a lifetime career of sign design. He was strong and stern, very independent man but inside he had a heart of a gentle giant. A family man who taught us love, honor, strength, stability, and how to respect others. A lot of laughter and cutting up was what he was famous for!

All who knew him loved him. He was a father to look up to, one who will be greatly missed. You made it to the finish line, "Wild Bill!"
